Insufficiency Comment Response - Request for Extension**

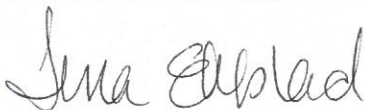

Dear Mr. Noble:

Please accept this letter, being communicated via email with mailed original to follow, as a request for a 45-day extension to provide responses to the comment letter dated August 4, 2017 for the Commercial Planned Development Application DCI2017-0001. Due to the August 29th meeting and additional on-going coordination; we would like to request additional time to acquire the necessary information to efficiently answer The Town staff's questions.

We believe a 45 day extension will give us ample time to address the comments made by Town Staff on August 4, 2017 and prepare a complete response package. Should you require any additional information regarding this matter, please do not hesitate to contact me at tekblad@m-da.com or call 239-337-3993.

Sincerely,

MORRIS-DEPEW ASSOCIATES, INC.
